Fiji done right. Come on that trip of a lifetime painted in the back of your mind for all those years. White sand beaches as far as the eye can see. Turquoise waters lapping on the shore and a hammock under a palm tree. That coconut shell filled with some beverage that takes all the stress right away. Amazing diving with critters you have only seen on T.V. This is it!! This is exactly that trip you have dreamed of for a lifetime. It's time to make that dream a reality and join Steve and Jill in paradise on the Fijian island of Nadi on the Northern tip at a resort called Voli Voli.

Lots of extras are included on this trip with Beach BBQ, Local Meke performance and Lovo night. Also for an additional fee add 2 more nights and experience shark diving, jungle tours and an amazing trip around the entire island of Nadi.

Perfect for the Non-diver with lots of amazing experiences.
